**Georgetown-** The Delaware State Police Collision Reconstruction Unit is investigating a fatal crash that occurred yesterday.

The incident occurred on June 13, 2019 at approximately 3:49 p.m., when a 2005 Chrysler Town & Country mini-van was traveling eastbound on Old Furnace Road just east of Rementer Road, negotiating a slight right curve. A 2016 Ford 6 wheel box truck was traveling westbound in the same general vicinity. The mini-van was a registered Delaware Taxi, and was transporting two passengers who were both properly restrained. A 21-year-old male passenger of Georgetown was transported to the PRMC in Salisbury, Maryland where he was admitted for observation only. The second passenger, a 20-year-old male of Georgetown was transported to the Nanticoke Memorial Hospital where he was treated and released with non-life threatening injuries.

The operator of the box truck, a 30-year-old male from Bridgeville, was properly restrained. He was transported to the Nanticoke Memorial Hospital and later transferred to the Christiana Hospital in serious condition.

Old Furnace Road in the area of Rementer Road was closed for 3.5 hours while the crash was investigated and cleared.
